### **So there you have it, something for everyone.**

At Whiteabbey we believe Jesus Christ is the most relevant person young people can encounter. He gives purpose and meaning to life without cramping style. He lets us live life to the full. We see young people as part of TODAY'S Church and encourage you and your children to make use of the wide range of activities set out within.

### **Our Policy on Child Protection.**

When your children come along to events and organisations at Whiteabbey Presbyterian, their safety is of paramount importance to us. TAKING CARE is our denomination's Child Protection policy and procedures which we have adopted fully as a congregation, and for which the elders are responsible. Chris Wilson, our Youth Ministry Coordinator, is the Taking Care Coordinator (for administration and training.) The two Designated Persons (reporting of concerns / incidents) under the policy are Mr Albert Creighton and Mrs Alison Martin.

### **Youth & Children's Working Group.**

The group meets regularly to review and co-ordinate all of the above activities. If there is any matter related to youth and children's issues that you would like included in our discussions or prayers please bring this to the attention of the convenor,

Brian Martin (brian.martin@whiteabbey.org).
